## Claiborne County Sheriff's Office Monthly Report

September 4, 2024

This report from the Claiborne County Sheriff's Office outlines several different revenue sources for the Sheriff's Office for the month of August 2024. Inside this report are documents showing revenue for the Sheriff's office such as commissary sales, calling card and E-cig sales, TDOC reimbursement for housing state inmates, and other monthly revenue areas. We have also included documents that show the jail population for the date of Wednesday, September 4, 2024. This number is fluid as we continue to work to keep the jail population down in the Claiborne County Jail.

Please let us know if there are items not in this report that you would like to see in further reports.

Thank you.
